## Primate Behavior & Ecology 2018-19

La Suerte Biological Field Station, Costa Rica

Winter session: Dec 27, 2018 (fly in) to January 9, 2019 (fly out)

Summer session #2: June 24 (fly in) to July 17, 2019 (fly out)

Summer session #3: July 19 (fly in) to Aug 14, 2019 (fly out)

**Description:** This intensive field course provides experience in studying wild monkeys in a tropical forest environment and is excellent preparation for graduate studies in primatology, animal behavior, and ecology. Undergraduate and graduate students at all levels of training are encouraged to apply. The course includes training in field methods and culminates with a independent research project. Projects are designed individually by each student and guided by the course instructor.

La Suerte Biological Field Station is a protected sanctuary operated by the Maderas Rainforest Conservancy 501 (c) (3). Primate studies have been ongoing at the site for 25 years.

**Instructor: Dr. Laura Bolt**

**Cost:** \$2095 USD for winter or \$2400 USD for summer sessions, including \$150 USD registration fee. This cost includes tuition, room and board, group transportation to and from San Jose, and an overnight trip to Tortuguero for summer sessions. Cost of flights, hotel and meals upon arrival and departure in San Jose is not included.
